## It's All About the Moose!

### “Moose Full of Juice” Patch Program

A Fun Patch program\* developed by Girl Scouts to benefit GSCM GS and GSCM Activities. All proceeds will be donated to GS groups and activities. Are you ready to start your quest?

#### Patch activities

*Daisies and Brownies: Do at least 2 of the starred activities below, including the first activity.*

*Juniors and above: Do at least 4 activities below, including the first activity and another activity that is starred, .*

**\*1.** Learn the Moose song! Watch videos to learn songs about the Moose! Or  
On the Moose-cellany page watch the GSCM chorus leading “Fred the Moose” at the GS 100<sup>th</sup> anniversary sing-a-long “Rock the Mall” in Washington DC in 2012.

“Fred the Moose” is known by our Guide and Scout friends as “Crazy Moose”! The Moose song is a neater repeater, so if one person learns it, the rest of the group can follow along!. The words to the Moose Song are printed at the end of this file.

**\* 2.** Lead a Moose Song to a group of friends of any age, or another younger GS troop or others or family and friends in your Troop .

**3.** Research where moose live, what they eat and other habits. See the “Moose Fact Sheet” at National Geographic [Moose | National Geographic](#)

Then play the Moose-matched word game (at end of this file)

**4.** Do a moose craft. Here are some examples

- Here is a cute moose door hanger! If you add a holly leaf you could make this an ornament or holiday decoration <http://www.dltk-kids.com/canada/mmoosedoorknob.htm>

- A cute wreath for “Canada Day”. Read here to find out more about “Canada Day”

<http://www.dltk-kids.com/canada/mmooseheadwreath.htm>

<http://www.dltk-kids.com/canada/about.htm>

Or add fall leaves for Thanksgiving, holly leaves for a Christmas wreath, hearts or flowers for Valentine’s Day or spring time.

- (crafts, continued) Make a Stand-Up Moose

**5.** “Fred the Moose”, of “Crazy Moose” song is sometimes credited with starting in Canada. Read about Girl Guiding in Canada at their web site. <https://www.girlguides.ca/GGC/> Learn and sing another Canadian Girl Guide song about moose: “Land of the Silver Birch”. You can watch this song on the Moosecellany page! Make or use a simple drum to keep the beat as you sing.

**6.** Make a moose snack such as “Chocolit- Moose-Munch” in a bag (see recipe below)  
Or make moose-shaped cookies or use a cookie cutter to make moose brownies.  
Or invent your own moose treat and share the recipe with us at our sharing site!

**\*\*7.** Organize and participate in a “Moose Singalong” or “Moose song” flash mob! Get a group together to sing and lead the Moose Song in a unique, special, strange or otherwise interesting (but safe!) place. Give yourselves a group Moose Hug if you do so wearing antlers

**\*\*8.** “Moose on the Loose” ! Fred and his friends love to travel and make new friends! Participate in a “Flat Friend” exchange. See details at “Moose On The Loose” section of the House of Moose. Make your own Flat Moose or use our template below. Send your moose (or other flat friend) for a visit. We’ll give them a tour of our GS events, camps and local DC/Baltimore area, take lots of pictures, and will send your Flat Friend home to you with a SWAPS from Fred and Friends!

**\*\*9.** Do a “Fred and Friends” service project in honor of “the Moose”. For example, perhaps organize a sing-a-long and invite friends to bring food, pet supplies or other items to donate to an organization you choose. Share your ideas and service projects on our sharing site
